

What You Need to Know
About the The Michigan
Association of Chiropractors!

FREQUENTLY ASKED QUESTIONS

Mission:

The Mission of the Michigan Association of Chiropractors is to protect and enhance the chiropractic profession through organized leadership, education, and the promotion of the chiropractic discipline and practice.

Vision:

A healthy, knowledgeable citizenry with fair and open access to chiropractic.

Q. What is the purpose of the MAC?

The Michigan Association of Chiropractors (MAC) protects and advances the chiropractic profession through leadership, advocacy, education, and promotion. Members also receive resources, support, and tools to help strengthen their practices and stay informed.

Q. What does the MAC do?

The MAC advocates for Michigan chiropractors on legislative, legal, insurance, regulatory, and professional issues that affect your license, patients, and practice.

Q. What programs do MAC dues help support?

Member dues help fund the MAC's legislative, legal, insurance, education, and public relations efforts on behalf of Michigan chiropractors.

Q. How do I benefit from the MAC, Michigan Chiropractic Foundation, and wholly owned subsidiaries?

MAC supports chiropractors throughout their careers—from students to retirees. Membership provides professional resources, education, advocacy, practice support, and a stronger collective voice for chiropractic in Michigan.

Members have access to a wide range of resources and programs, including:

- MAC staff support Monday–Friday
- Legal, legislative, regulatory, and insurance assistance
- Statewide public relations and chiropractic promotion
- Patient education materials, fact sheets, and office resources
- Member-only information and regular updates
- Continuing education programs
- MAC eJournal
- Monthly marketing toolkits
- Classified ads and professional opportunities
- ChiroEdge and Value Edge Alliance programs
- MCF grant opportunities

Q. What are a few key accomplishments that the MAC has achieved?

The MAC has helped achieve significant advancements for Michigan chiropractors, including:

- Modernizing Michigan's chiropractic scope of practice to include differential diagnosis, extremity adjusting, physical measures, and tests.
- Securing settlement agreements with Blue Cross and Blue Care Network that expanded reimbursable chiropractic services.
- Passing legislation requiring auto no-fault insurers to reimburse chiropractors for covered services lawfully within their scope.
- Passing legislation allowing chiropractors and MDs/DOs to jointly form professional corporations or professional limited liability companies.

Q. How can I get involved with the MAC?

Join the MAC and participate! Attend local District meetings in person or via Zoom, volunteer for MAC activities, and connect with colleagues throughout Michigan. Membership options are available at www.chiromi.com.

Members can also support MACPAC, which supports candidates and elected officials based on issues affecting chiropractic and works alongside grassroots advocacy efforts.

Q. What type of leadership potential is available through the MAC?

MAC's eight Districts provide opportunities to volunteer, advocate, and develop as a leader. Each District elects representatives to the MAC Board of Directors, with additional opportunities to serve in statewide leadership and on the Executive Committee.

Q. Does the MAC determine licensure requirements?

No. Michigan licensure requirements are established through the state's licensing and regulatory process, including the Michigan Board of Chiropractic.

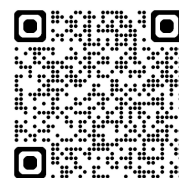

The MAC helps members understand requirements and provides continuing education opportunities to assist with license renewal and compliance.
